

WINTERSCHOOL 2024 | 7-9 FEBRUARY

Join the Quantum Revolution

Driving digital innovation for
a sustainable future

WinterSchool 2024

Quantum technologies hold promise to support decarbonization and digitalization by finding solutions to hard mathematical problems in an energy-efficient manner. But in order to unfold their full potential, quantum technologies must be industrialized. At the Quantum WinterSchool, we share the status of quantum activities both at Infineon and engage with young talents who want quantum technologies to become a reality.

When: 7-9 February 2024

Where: The event takes place as an online event.

Check out the website for registration.

Who we are looking for: Technical students (BSc, MSc, PhD)

Spread the word!

Application Deadline: 24 January 2024

Apply now! For more information scan the QR code or go to www.infineon.com/schools
